

INNOVATION IS THE MARK OF A LEADER!

Through the innovative application of Six Sigma, DuPont Chairman and CEO Chad Holliday creates new value, in new ways, through new processes across DuPont's five business platforms.

"It's an honor to recognize this type of leader with the Annual Six Sigma Premiere Leader Award."

-- Roxanne O'Brasky
President, ISSSP

DuPont's Chairman & CEO, Chad Holliday (second from the right) and Six Sigma Vice President & Corporate Champion, Don Linsenmann (second from the left) receiving congratulations on winning ISSSP's Annual Six Sigma Premiere Leader Award from two of the AIT Group's Executive Directors, Dan Jorgensen and David Kane.

The AIT Group is proud to be helping DuPont implement its leaders' innovative Lean Supply Chain vision.
